The joining fee for new members is equal to the annual subscription.

The committee may refuse the proffered subscriptions from any member they consider non-active.

Increase in fees will be proposed and considered at the AGM., and published accordingly.

Annual General Meeting

The Annual General Meeting will take place on the first Monday in February each year 8.30pm prompt.

Revision of the rules can only be made at the AGM or at an extraordinary general meeting summoned by the secretary on a requisition signed by fifteen members, specifying the business to be transacted at the meeting. Fourteen days' notice must be given to the secretary who then must give seven days' notice to all members.

All AGM motions must be presented to a Club meeting, in writing, prior the AGM.

The proposer shall have up to three minutes to put a motion to the AGM.

Up to three members shall then have one minute each to lodge any objections.

The proposer shall then have one minute to answer after which the vote will be taken by a show of hands with the majority to carry the vote.

Only full senior members are eligible to vote at the AGM.

Club Water Rules

It is imperative that all members familiarise themselves with these rules – which will be updated following the AGM's every year

All members are required to have their membership card and their rod licence in their possession when fishing on the Club water. Anyone not in possession of these will be asked to cease fishing.

Members are required to keep fences and banks free from litter and damage.

Fishing on the main pool and Fox's Arm must be from permanent pegs only.

Fishing is not allowed on the Club water whilst a work party is in progress. ^{AGM 2022}

No open bait tins are allowed on the bank at any time.

Members must use the toilet facilities provided on the Club water without exception. Failure to do so will result in expulsion from the Club.

Two rods are allowed whilst pleasure fishing on the Club water; any fishing combination permitted., i.e. one float and one bottom or two bottom. ^{AGM 2022}

Rods/lines must not be left unattended at any time while in the water.

Live baiting is not permitted.

Barbless hooks only to be used.

Pre baiting is not allowed.

All surplus bait is to be taken home not thrown in the water or in any bin on the pool.

Two hooks on one line are allowed on the Club water from 31st October to 31st March only.

Only Club keepnets are to be used on the Club water and pegged out properly not weighed down with stones. These are to be returned to the shed after fishing having been thoroughly checked for damage and fish.

Keepnets are not to be used on the Club water from April 1st to May 31st inclusive except in matches.

No ledger weights over ½oz to be used on the Club water.

Members must not introduce fish from other waters or transfer fish between our own waters without prior permission; except in the case of the previous rule concerning carp.

Bloodworm and Joker are allowed on the Club water from the 1st November to 31st March only.

Dogs may be brought onto the Club water, but they must be under close control and all dog waste must be cleared up and removed from site.

Members must be courteous to all house owners adjacent to the Club water and respectful of their property, noticeably when shipping poles back over fences.

Junior members aged 16 and under must only fish between dawn and dusk unless accompanied by a senior member. ^{EGM August 2021 (Lockdown)}

Bivvies must not be used down the house side bank and when used must not obstruct access for other members. **EGM August 2021 (Lockdown)**

No form of gas appliances be allowed in bivvy's / tents / shelters on the Club water. **AGM 2023**

If yours is the last car to leave the Club water at any time of day you **MUST** raise the rhino post and lock it.

Match Rules

The Club championship shall be decided by a points system and the best seven results from ten matches to count towards the final league positions. In the event of a tie the angler with the highest cumulative weight from their seven qualifying matches shall be declared the winner.

The point system being 50 points for the winner decreasing by 1 point down to 10 points for a dry net.

Members that fish five or more Club away matches shall be automatically booked on to all Club away matches for the following season.

Members wishing to book on to matches must do so by contacting the match secretary directly or by submitting their name at a Club meeting.

Anybody cancelling off a match after the deadline set by the match secretary is liable to pay the match fees in full (i.e. peg fee, pools and superpool if eligible). **AGM 2022**

Two hooks on one line, with or without a float, are allowed in matches except where banned by the fishery.

On the Fur and Feather match each competitor paying pools is eligible for a prize.

On the Fur & Feather there will be no cash pay-out for finishing 1st – 4th, section prizes or pairs except for the superpool.

Wading is allowed when safe to do so and to knee depth only with the permission of the anglers on either side and where allowed by the fishery.

Members should not walk around the Club water when a match is in progress (except Rover matches).

Match Rules on the day

Match rules / bait restrictions shall be as set by the match venue (including the Club water) and strictly adhered to by Cheadle AC.

All Club matches are fished to the same match rules as stated by the fishery. This will eliminate any confusion on the day and ensure that all participants are competing on a level playing field.

Each competitor in the match shall draw a number and then proceed to the corresponding pegged off area.

Each competitor may position themselves within one meter either side of his/her peg.

Any complaint regarding pegging must be made to the match organiser before the start of the match. Any redraw to be at the discretion of the match organiser.

Each competitor may position keepnets in the water prior to the all in.

Each competitor may plumb the depth prior to the all in.

No groundbait or bait of any description should enter into the water prior to the all in.

Any bait falling under the appropriate match rules can be used except for fish (dead or alive), frog spinning bait or artificial fishing lures.

The match will start and finish at the time set by the match organiser (no longer than 6 hours but dependent upon the fishery).

Each match competitor should have only one rod and one fishing line in the water at any time.

Competitors must bait the hook, strike, play and land fish themselves, without help.

The competitor must not move his/her peg or fish away from it into another competitors' swim.

Every competitor must keep any caught fish in a regulation keepnet.

Competitors should use 2 keepnets or more if fishery rules dictate.

Competitors may leave their peg during the match, but they must remove their line from the water when they do so. All species of coarse fish can be weighed (but no game fish).

At the signal to stop fishing (the all-out), competitors must do so. An allowance of 15 minutes will be given to land a fish hooked before the signal to stop fishing was given.

In a fishless match, the match will be rearranged for another date, ALL monies will be retained and fished for at the re-arranged match, anglers not present at the original match will not be eligible to win the trophy or the monies retained.

The match secretary and assistant match secretary will conduct all weigh ins. Their decision is final on all occasions.

On all matches the pools and super pools entry fee is entirely optional.
